Thank you for your support!

The Buttonwood Park Zoological Society (BPZS), a private, non-profit organization, was founded in 1969 to support the Buttonwood Park Zoo (BPZ) so that the Zoo will be a significant contributor to the conservation of nature both at home and throughout the world.

Buttonwood Park Zoo (BPZ) features over 250 animals and 30 exhibits, including elephants, bison, mountain lions, bears, eagles, seals, otters, and farm animals. BPZ is accredited by the Association of Zoos and Aquariums (AZA) and has been called "one of the finest small zoos in the United States" by that organization.

# How Do I Become a Zoo PAL?

Become a Zoo PAL and make one of our Buttonwood Park Zoo animals your special pal.

Sponsor an animal for a year and help support its care.

You can maintain your PAL sponsorship for as long as you like by paying annual dues. The monies generated by the program are used to offset costs associated with the care and enrichment of the Zoo's animals, as well as educational programming for schools, families, and community groups.
